Blue Ash, Ohio 45242-4111

Dear MOLLOY ROOFING COMPANY:

In recognition of your outstanding efforts in quality roofing installations, Firestone Building Products is pleased to present you with the enclosed commemorative plaque recognizing your achievement as a 2018 Partner in Quality.

The Partner in Quality award is presented to contractors who achieved the highest levels of roofing quality by meeting or exceeding the following criteria during the previous year:

- 1. Install at least eight warranted Firestone roofs in 2014, 2015, 2016 and 2017 and four warranted roofs in 2013**
- 2. Maintain at least one million square feet of Firestone roofs under warranty**
- 3. Achieve an annual QIR of 1.0 or less.**

The Quality Incidence Rating (QIR) offers a simple but compelling tool to promote roofing quality. The rating is computed by dividing the total number of your company's warrantable repair incidents occurring on Firestone roofs by the total square footage of your Firestone roofs under warranty.

Thank you for representing the highest quality standards in the roofing industry, and choosing Firestone as a key business partner.

Sincerely,

Taylor Cole
President
